MEMORANDUM FOR: Chief, Technical Services & Support Group, NPIC

SUBJECT :

1. With regard to a request that we keep [] informed on the current [] situation with respect to the present uproar in [] was informed by [] today that the current work being performed at [] is being done by the Engineering Staff and that none of the workers are currently involved. [] has assured [] that the workers will be back within a week to a week and a half. As a consequence, there should be no apparent slowdown on our program.

2. [] currently has the [] specifications for the [] subcontract. He has reviewed the specifications, and they are in keeping with the agreements reached at the High Precision Stereo Comparator negotiation on the West Coast. As a consequence, I have on my desk a draft memo recommending that we permit [] to allow [] to complete their negotiation for the [] subcontract. The West Coast Procurement Office [] has requested that we give them verbal authorization by phone today or tomorrow since it will require on the order of two weeks for the official paper work to reach them. I am recommending that we follow this course of action. I will make the call with your approval.
